

MINI-MiL[®] MM004

Barefoot Activity Shoe

A true zero drop minimalist activity shoe, the MINI-MiL[®] is designed specifically for the conditioned warrior athlete seeking a barefoot-like experience. From training to trail or just everyday casual wear, the MINI-MiL[®] barefoot activity shoe is not only lightweight & flexible, but also features a wide toe box to allow the toes to spread for a more natural gait and feel. With its wide variety of applications, you can choose your own adventure with the MINI-MiL[®] barefoot activity shoe.
